Dear Kermit:

Thank you very much for your very nice letter reporting reception of WGFS on the morning of February 2nd, 1954. I am very happy to verify your report of reception.

Again thank you for your very nice letter and we hope to have you with us often on the 1430 spot. I believe I verified a report of reception for you when I was chief engineer at WPID in Piedmont, Alabama.

Thanks again and the best to you in DX-ing.

Sincerely,

Hamilton Masters
